

EXCEL FIRECRACKER OPEN
COACHES & OFFICIALS HOSPITALITY
JUNE 28-JUNE 30, 2013

*****PLEASE READ*****

Due to storage limitations, we cannot accept items before their delivery time. Please deliver your menu items on time. Please do not drop off early in the Excel Office or in the ISC exercise rooms. Unfortunately, there are “sticky fingers” roaming the ISC, and we cannot be responsible for menus delivered prior to designated check-in times. Do not sign up for a menu if you are unable to bring at the designated time. We have a very small window of time to feed a large number of officials and coaches. Menus delivered late negatively affect our food service. Items are to be brought to the hospitality room located in the ISC hallway, adjacent to the vending machine room. Make sure you bring everything listed. Please read the menus carefully. Please contact the hospitality coordinator if you have any questions.

We do not have access to an oven to prepare items in the hospitality room so items that need to be served warm must arrive warm and ready to eat. Please place items in disposable containers. Feel free to use family recipes for any casseroles or if you need help finding a recipe www.allrecipes.com is a great resource. Contact the Volunteer Coordinator for assistance.

Please do not be surprised by the total cost of our menus. They run in the \$35- \$40 range if you buy your items at Sam's, Costco, or GFS. The reason why these menus run this high is to not devalue the time of those who choose to work a three to four hour shift during the meets. We believe their time is worth that cost. We thank you for your understanding. Please make every effort to buy the specific items listed on the menu that you select. If you cannot find an item, please take the time to e-mail the hospitality coordinator who will suggest a substitution for your item.
